vicinity.

morning, and see that your neighbor is

I DID NOT VOTE TO RESTORE THE TAR-
IFF ON WOOL AND, BY THE ETHERAL, I
NEVER WILL.—George L. Yapple.

Let every Republican voter in Van
Buren county feel it a duty incumbent
upon him to vote on Tuesday next.

In order to give our readers all the
election returns possible, we shall not
issue our paper next week until Thurs-
day.

Word was received here last week of
the death of Mrs. Julius Clapp in Min-
neapolis, Minn. We have no particu-
lars.

Samuel and Mulford Buskirk, Chas.
H. Butler and Will Lee left last Friday
for their annual deer hunt in the Upper
Peninsula.

A new girl baby makes music in the
home of H. W. and Mrs. McCabe. It
arrived Sunday morning and weighs 12
pounds. All well.

Miss Ada Randall came over from
Kalamazoo last Wednesday and re-
mained with her sister, Mrs. Leroy Os-
borne, until Saturday.

Let it not be said this year that the
Republicans lost the election by stay-at-
homes. The country demands of every
true citizen that his ballot be cast.

George L. Yapple in his recent speech
at Lawton advised his hearers to work
and vote for Weaver. Wonder how
this suits the fancy of the old line Demo-
crats?

"Spence" Adams, chairman of the
Antwerp Republican committee, don't
allow anything or anybody to become
apathetic around where he is. He is a
hustler.

I DID NOT VOTE TO RESTORE THE TAR- IFF ON WOOL AND, BY THE ETHERAL, I NEVER WILL.—George L. Yapple.

Mrs. H. L. Eggleston of Toledo, who
has been making an extended visit with
friends and relatives in this place, will
return to her home this week.

L. A. Rogers of Glendale will have

ing implements on election day. Vote
first, then go over and buy him out.

Miss F. E. Rice of Boon, Iowa, visited
over Sunday at the home of her cousin,
Ed. Nash, in this place. The relatives
had not previously met for sixteen
years.

"Kathleen Mavourneen" will be pro-
duced at Longwell's opera house to-
morrow night. Secure seats now. The
company will remain for two nights
this time.

The Electric Light Co. give notice
that on Tuesday, the 15th inst., service
will cease on the incandescent lights.
The commercial are lights were cut off
Monday night.

Now that we are to lose our electric
lights, why not go clear back to the
old "tallow dip," and make no further
pretense to standing in line with
modern progress?

Old line Democrats: Are you willing
to be made a catspaw to pull Yapple
free-trade chestnuts from the political
oven? You answer NO! Then vote
for Henry F. Thomas for Congress.

Stamp an [X] in the square at the
head of the Republican column on the
ticket, fold it up, and let her go. It is
a clean ticket and every man thereon
is worthy of support. Vote straight!

Mrs. Will Simmons lost her gold
watch last Friday between Decatur and
her home on the Wildey farm. The
finder will be liberally rewarded by
leaving the same with her or at this
office.

Miss Laura Wilson of Kalamazoo will
visit Paw Paw on Wednesday of this
week for the purpose of organizing a
class in water color and china painting.
Her work will be on exhibition in the
window of Mr. H. Shaefer.

The trustees of the M. E. church have
sold the old parsonage to Mr. A. Cooper
of Lawrence and purchased the Philura
Warner property, first residence west
of the church. Rev. Jones and family
will move into their new home this
week.

Mrs. Stone of Cleveland, Dr. Butler
of Kalamazoo, and others, will address
the people from the prohibition party
standpoint at the opera house Saturday
afternoon and evening. Mrs. Stone will
also speak at Mattawan Monday even-
ing next.

We especially request our several
correspondents to get as much of the
election returns in their localities as
possible and forward by first mail on
Wednesday morning. We shall hold
our columns open for such returns un-
til Thursday.

When completed, which will be with-
in thirty days, Dr. Maynard will have
one of the finest residences in this
section. Messrs. Davey & Osobock are
the architects, and when the structure
leaves their hands it will be an orna-
ment to our village.

What a humiliating spectacle is
presented by the Democratic party in
this county and congressional district!
A once strong and prosperous party,
now down on its knees picking up the
crumbs thrown to it by Weaver, a reneg-
ade Republican, and his claqueurs and
heelers!

We received yesterday an anonymous
communication from Allegan, referring
to some matter in which Messrs. Shir-
rine and Cavanaugh were parties. As
no attention is given communication
unless accompanied by the name of the
writer, this one found its way to the
waste basket without difficulty.

After listening to speeches by M. V.
Gore of Buchanan and E. L. Hamilton
of Niles, one need no longer feel that
the Fourth Congressional district is en-
tirely bereft of eloquence by the loss of
Burrows, for either of these gentlemen
are his peer in everything that goes to
make up the finished, polished orator.

John Davis, a brother-in-law of Mrs.
E. Durkee, arrived from Worcester,
Mass., on Friday evening last, accom-
panied by his son, one of Worcester's
druggists and a crack shot. They came
armed with all the essentials for a
week's hunt, and hope to make a scat-
tering among the quail and partridge.

"We have seen the whale," writes
Clint. Hungerford from Petoskey. "A
large scow, towed by a tug, is moored
at the dock here exhibiting a whale. It
is 65 feet long and weighs 25 tons—just
one-third its weight when captured. It
has been embalmed and is on its way to
Chicago for exhibition at the World's
Fair."

It is true sympathy that has called
forth the many messages of condolence
sent to President Harrison, for Queen
Victoria, the Pope, and all the notables
of America, irrespective of political, so-
cial, or religious affiliations, have united
in paying honor to the genuine good-
ness and modest, womanly worth of his
lost and loved wife.

On Oct. 28 the village of Mattawan
sustained a severe loss in the burning
of a number of its finest business build-
ings. Two brick stores, owned by C.
L. Eaton and Mr. Truesdale, were en-
tirely consumed, as also the postoffice
and the Masonic hall with all its con-
tents. The loss is estimated at \$20,000,
with only \$11,000 insurance.

Hallow eve, or as it is called in Scot-
land Halloween, is the vigil of All
Hallows (all Saints) and occurs Oct.
31st. It is the custom in this country
to allow "witches to rule the earth,"
and last Monday evening was no ex-
ception. The antics of "the witches"
were in nowise checked by a steady
downpour of rain, and carriage seats,
horse blocks, gates, wagons, signs,
boxes, &c., &c., were found in all
manner of unexpected places, but no
harm was done.

Never in the history of this county
was it so necessary to send men to con-
gress who are SOUND on the questions
of finance and tariff, as the present.
Think of this before you deposit your
ballot next Tuesday. Henry F. Thomas
represents honest money—GOOD money
and a tariff which will protect the
American workingmen and the markets
of the American farmer.

While turning the corner above his
residence, on Monday, Mr. M. B. Wil-
son's carriage was overturned and he
thrown out with considerable force, the
carriage on top of him. Emmet
Northrup happened to be near the spot
and caught the horse by the bits before
it could gather headway, else the mis-
hap might have been serious.

Wages are cheaper in Europe than in
America. We all agree on that. Now,
the question for us to settle next Tues-
day is, whether the factories of Europe
or America shall run. If you desire
the former, vote the Democratic free-
trade ticket; if the latter, vote the
Republican ticket, which stands for
the protection of American industries.

Hon. Henry F. Thomas, accompanied
by Mr. M. V. Gore of Buchanan, spent
a part of the day last Wednesday in
this village, going hence to Covert,
South Haven and other places where
they were met with the same enthusias-
tic crowds as has characterized all their
meetings during the canvass. Mr.
Thomas makes solid friends wherever
he goes.

We very much mistake the temper
and views of the farmers and mechan-
ics of Van Buren county if they do not
give Free-Trader-Wildcat-Money Yapple
the deadly black eye on Tuesday next.
A vote for him means a vote for clos-
ing our mills and factories and throw-
ing our markets open to the competi-
tion of the pauper labor of Europe.
Vote for Henry F. Thomas for congress.

'Twas an immense throng that greeted
Senator Stockbridge and E. L. Hamil-
ton at Longwell's opera house last
Thursday evening. Every inch of space
was literally packed, while scores of
people were turned away from the
doors. We were glad to note quite a
sprinkling of Democrats in the audience,
and by their thoughtful countenances
it could be inferred that the solid
truths that Hamilton gave them were
having a salutary effect.

Last Thursday morning, while at his
work in the Beckwith factory in Dow-
agiac, Will Barton of this place, met with
a serious and painful accident. In
reaching past a rapidly running belt
for an oil can, the sleeve of his shirt
was caught, his arm drawn down to the
lower pulley, and the flesh and muscles
of the forearm were terribly torn and
mangled. He will save his arm, how-
ever, but will have to take an enforced
six weeks' leave of work.

The St. Joseph Bichloride of Gold
Co. some time since offered to treat free
of expense one patient sent by the W.
C. T. U., the Epworth League and the
Y. P. S. C. E., and we gave these organ-
izations due notice of the proposal.
We have yet to learn that any move
has been made in this direction. Cer-
tainly there is abundant material here-
abouts, but perhaps it is being held as
a "horrible example" and for the edifica-
tion of the youth of our village.

Last Friday night was "a howler."
The wind blew a terrific gale nearly all
night, and attained at one time, it is
said, a velocity of 60 miles an hour.
Anything and everything with two ends
to it was blown from its moorings—
gates, chimney tops, signs, running belt
for an oil can, the sleeve of his shirt
was caught, his arm drawn down to the
lower pulley, and the flesh and muscles
of the forearm were terribly torn and
mangled. He will save his arm, how-
ever, but will have to take an enforced
six weeks' leave of work.

Mrs. James Titus, formerly Miss
Christie of Kendalls, committed suicide
at an early hour last Sunday morning
by shooting herself through the head
with a revolver at rooms occupied by
herself and sister, Miss Minnie Christie,
on Water street, Kalamazoo. About
one year ago her husband, James Titus,
died after a long illness, leaving her
with two small boys. These she had
recently sent to the Children's Home at
St. Joseph, and from that time she had
been despondent. The remains were
taken to her home at Kendalls for
burial.

The farmers of Michigan are getting
from \$10 to \$12 a ton for their hay
while just across the line in Canada
those who raise it are glad to take \$6 a
ton. The reason is that the Michigan
farmer is protected by the McKinley
bill from the competition of the Cana-
dian farmer. The same is true of many
other articles of farm produce. Yet the
Democrats are flattering themselves
that the farmers of Michigan who have
hitherto voted the Republican ticket
with regularity are next week going to
drive three or four miles or more to the
polls in order to vote for the privilege
of selling their hay for \$6 and \$8 instead
of \$10 or \$12. The "apathy" of the Re-
publican farmer has not yet reached
this stage of imbecility or paresis. Van
Buren farmers will vote for Henry F.
Thomas for Congress and for the pro-
tection of their home markets.

Business Privileges.
J. H. Waters & Co call attention to
their mammoth stock of stoves. Their
prices are always right.

"The Leaders" make an important
announcement to-day, nothing more or
less than that, beginning with next Sat-
urday, their entire stock will be offered
for sale at actual cost. Read their adv.

Harry Showman's fall and winter
stock of clothing is simply superb. No
one should buy a suit or an overcoat
without first getting Harry's prices.
The many new novelties added to the
cloak department at Sellick's are at-
tracting great attention, and our lady
friends speak enthusiastically in their
praise.

As the low price of wheat makes
some of the farmers feel poor, Mrs. J.
D. Hamilton has decided to put on sale
a large number of hats ranging in price
from \$1.50 to \$2.50, on next Friday and
Saturday. Don't fail to look them over,
for they will all be new and fresh.

GHOST STORY

but straight Hardware talk.
You may think you'll not read
it, but you will. The beauty of
business is to do business in a
business-like way—keep a good
clean dollar-getting stock, sell
at reasonable prices, treat cus-
tomers politely, and rake in the
cash when it comes your way.
Its time of year to get in out of
the cold—hover over the fire—
and the need of the hour is

HEATING STOVES.

I have some solid comforts in
the old reliable "ROUND
OAK," which needs no song of
praise to sound its worth.
The GARLAND—closing
grate, latest improved; highly
ornamental and nicely trimmed
in nickel—a beauty.
Detroit Stove Co's WOOD
BASE BURNER, a late pat-
tern—handsome, well made—a
regular earth-warmer.

COOKING STOVES.

I have a complete line of best
makes and latest styles. But
don't come here to buy a cheap
stove. I don't keep them. They
don't suit my patrons. None
but the best for me.

CUTLERY.

Let me jog your memory to the
fact that I have the finest line
of AMERICAN CUTLERY in
this county—which includes the
best makes of Razors—Pocket
Knives for a regiment of whit-
tlers, etc.

Fred Bilsborrow.
